

~~~~~ WISH LIST ~~~~~

*To care for the more than 2,500 animals served by Anderson Animal Shelter annually, the shelter needs many supplies. Please consider holding a “drive” for the shelter, getting your group or membership organization involved, or making a donation on your own. The supplies are used to keep our animals fed, comfortable and entertained and the items listed below are always in demand. Every month, the shelter uses 4500 pounds of dry food, 1020 pounds of canned food and 4000 pounds of kitty litter! You, your family, school, youth group or troop can conduct a drive to collect wish list items and bring them to the shelter. Monetary donations are also always welcome and will be put to good use. All donations can be dropped off during regular shelter hours. For more information or ideas please contact the Development Department at (847) 697-2880 or email us at [development@andersonanimalshelter.org](mailto:development@andersonanimalshelter.org). Thank you!*
